Business

Supports for implementation of defects warranty

1. Management of Housing Warranty Fund

- Taking risks at more than predetermined level for medium and small sized companies who are policy holders of housing defects liability insurance.

- Providing no interest rate loans to insurance corporations in the event of occurrence of excessive losses.

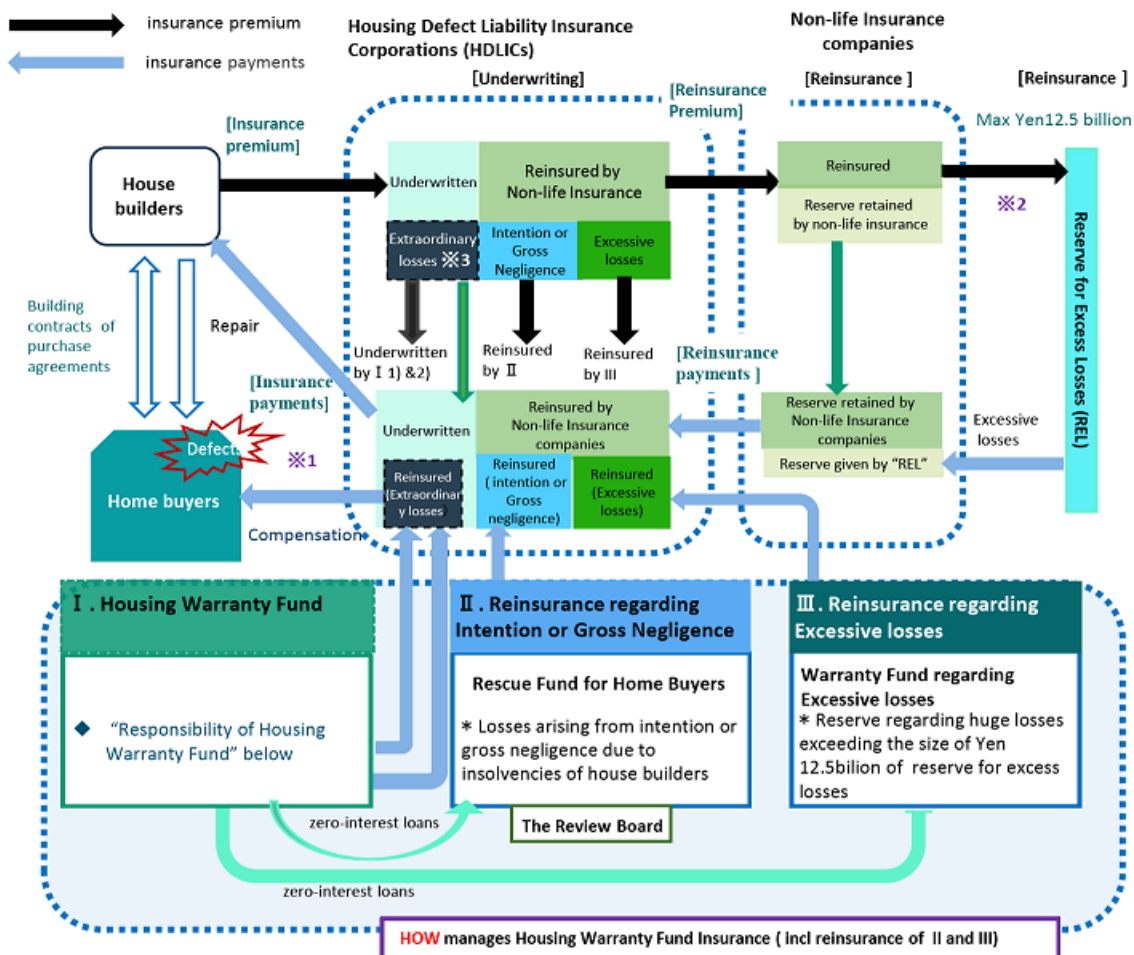

2. Reinsurance related to losses arising from intention or gross negligence

In case defects (normally exempt from insurance payments) are raising from intention or gross negligence of housing builders or suppliers and such defects are not cured during the reasonable time frame, HOW provides support to homeowners in order to obtain insurance payments for repair.

3. Reinsurance related to excessive losses

Providing financial assistance to insurance corporations in the event of occurring extraordinary losses exceeding Yen12.5billion reserve of non-life insurance companies.

The structure which supports Housing Defects Liability Insurance Scheme

- Notes:**
- ※1 Homebuyers get payments from HDLICs directly if insured companies become insolvent and cannot repair of fix defects for the reasonable time frame.
 - ※2 Reinsured premium are based on the size of risks taken by member of non-life insurance companies (only Type I insurance).
 - ※3 The reserve covers extraordinary losses arising from small and medium-sized companies.

◆ Responsibility of Housing Warranty Fund

- 1) Supports for HDLICs to make insurance payments to small & medium-sized companies for newly built houses
- 2) Supports for HDLICs to make insurance payments to small & medium-sized companies for existing houses
- 3) Making zero interest-rate loans to HDLICs in the case of shortage of Rescue Fund for Home Buyers (applicable for Type I and Type II insurance)
- 4) Making zero-interest loans to HDLICs in the event of losses exceeding Y12.5billion reserve (applicable only for Type I insurance).

* There exists difference between 1) and 2) in terms of the scope of extraordinary losses
 * 3) & 4) are 10-year provisional measures starting from May 30, 2017
 Type I insurance (Mandatory) for newly built houses if the buyer of the house is individual or companies which do not have real estate agency license.
